Dear Professor,

I hope this email finds you well. I'm writing to let you know that I was unable to submit my assignment by yesterday's deadline due to unforeseen circumstances beyond my control.

Without going into excessive detail, I encountered an unexpected situation that made it impossible for me to complete and submit the work on time. I understand this puts you in a difficult position, and I apologize for any inconvenience this may cause.

I would be grateful if you could grant me a short extension of a few days to complete and submit the assignment. I am committed to finishing it as soon as possible and can have it to you within three days if that works for you.

Please let me know if you need any additional information or documentation to support this request. I appreciate your understanding and am happy to discuss this further if needed.

Thank you for your time and consideration.

Best regards,
Neeraj(2620080074)
